Dear Dr Achyuta Samanta,

Upon the request from Deepak Kumar Behera, I am sharing the following proposal by him and Soumendra Patnaik with you. The IUAES Executive Committee deliberated on your proposal together with the following message, and decided to accept Bhubaneswar as one of the two candidates for the host of the IUAES World Congress in 2022, as announced in the IUAES E-mail News of June 11, 2018.

In Florianopolis, you are requested to make a presentation of 15 minutes, with additional 5 minutes for taking questions, about your proposal for the 19<sup>th</sup> World Congress. Presentation session is now scheduled at 19:00-20:00 on Tuesday 17<sup>th</sup> July 2018. You are also requested to make a final 5 minute presentation at the IUAES General Assembly Meeting tentatively scheduled on Friday 20<sup>th</sup> July, when the vote is taken and the decision about the host of the 19<sup>th</sup> World Congress is made and announced. Please be prepared to make these presentations by you, or by someone else, and send me the presentation slides, preferably in PDF, at your earliest convenience. As soon as I receive them, they will be uploaded to our website and circulated to IUAES members. Please be sure to include the name of the candidate for the ex-officio Vice President who will become a member of the IUAES Executive Committee in case Bhubaneswar is chosen as the host of the next World Congress.

Please also note that any kind of gifts to IUAES Executives, IUAES members or the voters, even if the gifts are small or academic publications, are not allowed for the sake of fair competition. Only brochures of host institutions or organizations can be distributed to the participants at the World Congress in Florianopolis.

Thank you very much once again for your willingness to hold the next IUAES World Congress. Your proposal is much appreciated.

Sincerely,  
Junji Koizumi  
Secretary-General, IUAES
