SUB-DOMAIN: GENERAL TRACK

PANEL TITLE: BIO-CULTURAL APPROACHES TO INDIGENOUS HEALTH

CONVENOR: DR. MADHULIKA SAHOO
CO-CONVENOR: DR. NISHANT SAXENA

ABSTRACT

Indigenous people are the original people. They are culturally rooted and have strong inclination towards their rites and rituals to healing. It is important to understand any health problem from bio-cultural approaches. This panel call for paper on health seeking behaviour of the tribal people to illness and bio-cultural approaches to study the healthcare practices.

Keywords: Health seeking behaviour, elderly, indigenous knowledge
