UIAF-WAC-2023- BEST POSTER PRESENTATION AWARD ANTHROPOLOGY AND CLIMATE CHANGE POSTER COMPETITION

DEAR GRADUATE AND POSTGRADUATE STUDENTS OF
ANTHROPOLOGY,

We are pleased to announce the Anthropology and Climate Change Poster Competition, aimed at showcasing innovative research and raising awareness about the critical intersection of anthropology and climate change. This competition offers you an opportunity to present your research and contribute to the discourse surrounding this pressing global issue.

THEME: ANTHROPOLOGY AND CLIMATE CHANGE

OBJECTIVE:

- Explore the impact of climate change on human societies from an anthropological perspective.
- Investigate the cultural, social, and ecological dimensions of climate change.
- Analyze the adaptive strategies, resilience, and challenges faced by communities in the face of climate change.
- Examine the role of anthropology in understanding and addressing climate change-related issues.

SUBMISSION GUIDELINES:

- **Eligibility:** Graduate and postgraduate students pursuing studies in anthropology are invited to participate.
- **Poster Proposal:** Submit a concise proposal outlining the content of your poster.
 - **Title:** Provide a clear and descriptive title for your poster.
 - **Abstract:** Include a brief abstract (150-200 words) summarizing the objectives, methodology, and findings of your research.
 - **Research Focus:** Clearly state how your research relates to the theme of anthropology and climate change.
